## Sea Pines Pipeline: Construction Updates

### REPAVING SCHEDULE

In reference to Plantation Drive, from Baynard Park Road to Lighthouse Road, much of the pipeline installation has been completed in this area. Along Muirfield Road to Plantation Drive, new pipeline installation has also been finished. Repaving construction of these areas are expected to begin in February with an estimated timeline of one week to conclude, weather permitting.

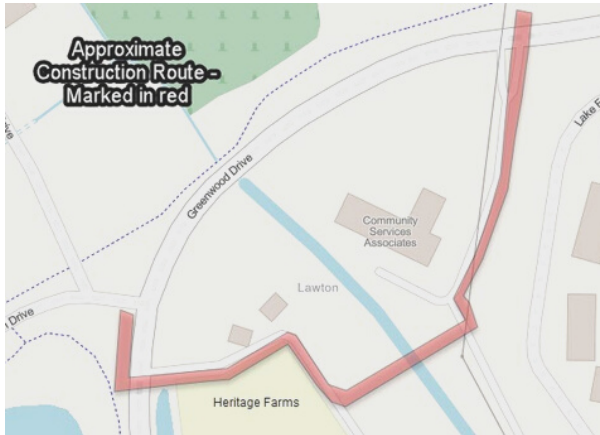

### PIPELINE INSTALLATION: LIGHTHOUSE ROAD TO LAWTON STABLES

Landscape clearing for the next pipe route (intersection of Lighthouse Road, down Plantation Drive, to the Lawton Stables area) was finished at the end of November 2022. Pipe installation is proposed to begin mid-late January 2023.

JANUARY 2023

PIPELINE INSTALLATION:  
HERITAGE FARMS AREA

Most of the pipeline installation in this area will be horizontal directional drills. This project will start at the Lawton Stables side of Greenwood Drive and work towards Heritage Farms. Crews are expected to mobilize the second week of January. Expected time frame is 5-weeks.

WHAT TO EXPECT:

Portions of the road in the affected area may be partially closed during construction, but will remain open for local traffic.

HOURS OF CONSTRUCTION WILL BE  
MONDAY-FRIDAY  
7:30 AM-6:00M PM
